"If you can't look fabulous at Milan Fashion Week, then when can you? My Fashion Week wardrobe is all about elegant yet easy-to-wear pieces like this textured top and statement skater skirt — perfect for both FROW and post-show party."

"This skirt is one of my favourite pieces in my wardrobe and it's perfect for Fashion Week. The scarlet shade is on-trend for autumn and the voluminous shape is sure to make an impression on street-style snappers."
