heart bodices brought a cocktail of femininity to the look that was a bit affected but still impeccable. Less intense than pastels yet not quite as bright as shocking shades, it seems as if they want to bring something a bit different to the winter when dark shades usually dominate. Actually, the sparkle of these colors is perfect for every situation and they sweep in like a fresh, fun breeze. This is further reinforced by a hailstorm of rhinestones, exuberant embroideries and a succession of whimsical appliques. Textures accentuate a chic doll-like image – super shiny patent leather, double lace and velvety suede. Crinkly resin brings a tactile feel to tambourine-shaped handbags, Mary Janes, pumps, sneakers and lace-
