

## MAXIMAL EFFECT, VALENTINA BRUGNATELLI

Posted on March 24, 2014 by Harlow Magazine

The difference a necklace can make is predicted and can revitalize any outfit, any moment. Sparkling objects, if well designed and made with first class materials, are crucial. Talking about first class jewel makers, **Valentina BrugnateLLi** is one of those names to keep in mind if you are searching for some pieces with strong personality. Do you remember Gianfranco Ferré's spectacular and avant-garde bijoux? BrugnateLLi worked with the 'Architect' in Milan for many years and collaborated with several other designers: Saint Laurent, Kanzo, Missoni among others. In 2012, the turning point: BrugnateLLi starts her signature collection and shine
