Drama is delivered layer by layer, in styles that stack and repeat to uncover unexpected combinations of colour and form.

Soft overlays are interrupted by graphicised cuts and heavily accented colour pops to give an edgier outlook to colour blocking, with cropped and abbreviated silhouettes encouraging a mix-and-match approach to styling.

Perma pleating and crochet knits combine with glazed jewel hues and 3D-printed metallised details in an art deco sensibility that complements the paler skin tones of softer cotton-based blends and washed leathers.

With jacquard knits and wovens offering the ideal canvas for tone-on-tone repeats of modern geometric motifs, all-over graphic transfers give gloss to the eccentric romanticism at play.
